About the Gallery:

Dastan features an extensive and multi-dimensional program, focusing on the full spectrum of Iranian contemporary and modern art. Dastan's program includes Dastan's Basement, +2, Parallel Circuit, Dastan:Outside, and Zaal Art Gallery.

In addition to hosting exhibitions, Dastan publishes artist books and monographs on Iranian art, and features film screenings, performance projects, and other events.

The Basement is dedicated to exhibiting emerging and cutting-edge Iranian art. +2 is a gallery launched by Dastan in 2015. This space showcases established Iranian artists and masters. Parallel Circuit aims to open the way for artists standing at the interstices of established and experimental art. Zaal Art Gallery is an international gallery in Ontario, Canada. The gallery provides an engaging and immersive space for both enthusiasts and professionals. Since the opening of its primary space in 2012, Dastan has continuously hosted pop-up curated exhibitions around the city of Tehran under the title Dastan:Outside.
