Dastan is pleased to announce its participation in Art Dubai 2025, marking the gallery's eleventh appearance at the fair. The presentation will be held at Booth C-2 at the Madinat Jumeirah Conference & Events Centre.

The booth brings together a wide spectrum of works by artists represented by or previously exhibited at Dastan—ranging from internationally celebrated figures to mid-career, emerging, and rising talents.

The presentation reflects the diversity of artistic practices, styles, and perspectives embraced by these artists. Each artwork offers a distinct narrative and mode of expression, contributing to a collective experience that celebrates individuality within a unified framework.

The design of the booth allows for shifting installations, with the presentation changing and evolving throughout the fair's public days. This dynamic arrangement echoes Dastan's commitment to experimentation, dialogue, and continuous exploration of form and meaning.
