

Fereydoun Ave is a prominent figure in Iranian

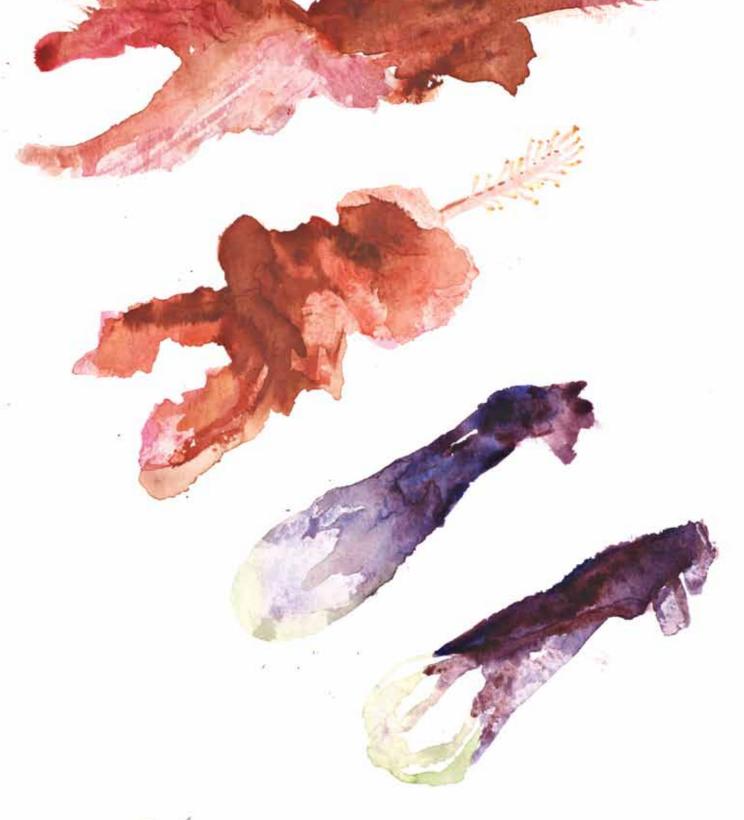

contemporary arts. His artworks have een exhibited around the world and have been acquired by some of the worlds leading museums and private collections, including the British Museum and the Metropolitan. Over his artistic areer, Fereydoun Ave has used different media ranging from painting on canvas to photography and sculpture as means of artistic expression. Watercolors wever, have remained among the artist's favorites; both as a study tool and to create independent artworks. The artist has repeatedly attributed his consistent use of the medium to its ease of transport while away from his atelier & to the pure joy of its practice. This exhibition is a selection of his Watercolors. The exhibited artworks

Hormoz Hematian * June 2014

several different locations

including Iran, France, and Greece and are dated between 1991 and 2014.
